Organised by:

MANIPUR ONCOLOGY SOCIETY

Welcome

Dear friends,

We feel immense pleasure to host the 18 NE-ARO-ICON, 2024 here at Imphal during 18-20 Oct, 2024. This year we are incorporating two important components: the Pre-Conference Workshop and Oration Lecture to the main scientific body of the conference. The PG Award session shall stay as before (Poster + Slide presentation of best 6 posters). While topics on Radiation Oncology shall occupy major portion, other disciplines like Surgical Oncology, Medical Oncology, Palliative Care, Medical Physics, Basic Medical Science etc. shall also play an important role. The theme of the conference for this year is "Personalised treatment for better result".

The conference time, the week following Durga Puja with the festive fever still lingering, October in Manipur is a pleasant month with optimal weather. We shall make all efforts to not only provide a rich scientific discourse but also entertain you with famous Manipuri Cultural and entertainment programs.

So friends, kindly ensure your participation so that we can interact and learn from each other and also enjoy good fellowship over entertainment programs.
