Invitation

Dear Colleagues,

Greetings from the Organizing Committee of NZAROICON 2025!

It gives us immense pleasure to extend a warm invitation to you for the 29th North Zone Association of Radiation Oncologists of India Conference (NZAROICON), scheduled to be held during 1st & 2nd November 2025, at Christian Medical College, Ludhiana. As a pioneering institution with a distinguished legacy of 131 years in healing, education, and research since its establishment in 1894, CMC Ludhiana continues to be a beacon of excellence in the state of Punjab.

The North Zone Association of Radiation Oncologists of India (NZ-AROI), a prominent regional chapter of AROI, unites radiation oncology professionals across northern India. As the foremost body dedicated to the advancement of Radiation Oncology in the region, it champions policy reform, drives technological innovation, and upholds excellence in cancer care. NZ-AROI serves as a dynamic platform for academic exchange, collaborative research, and professional growth through scientific conferences, workshops, and continuing medical education initiatives.

The theme for this year's conference, “**Thriving Beyond Cancer Towards Wellness**” highlights our commitment to enhancing the quality of life of cancer survivors. The scientific program has been meticulously curated to foster insightful discussions, featuring thought-provoking presentations by renowned national and international experts. Delegates can look forward to engaging interactive sessions that will enrich their knowledge and clinical practice.

We eagerly anticipate welcoming you to Ludhiana, the 'Hosiery Capital' and 'Manchester of India' for this prestigious event. We assure you of an intellectually stimulating and enriching experience as we collectively strive toward improving survivorship and holistic cancer care.

Warm regards,

Organizing Committee
