 **COURTYARD BY MARRIOTT**

**12th - 13th
September 2026**

Welcome Message

AROICON TN & PY 2026 is the 41st Annual Conference of the Association of Radiation Oncologists of India (Tamil Nadu & Puducherry Chapter), taking place on **September 12th & 13th 2026** at the **Courtyard by Marriott, Madurai.**

Organized by Mohan's Medicity, In association with Association of Radiation oncologist of India Tamil Nadu and Pondicherry chapter, the two-day program features keynote lectures, panel discussions and paper presentations from Eminent National and state oncologists. It's designed as a platform for clinicians, researchers, and postgraduate students alike to exchange knowledge, explore emerging technologies and evidence-based practices, and build meaningful professional connections.

About Host

Mohan's Medicity Hospital, Madurai, is a multi-specialty healthcare institution led by **Prof. Dr. B.K.C. Mohan Prasad, MS., MNAMS., M.Ch.(Onco), FAIS.**

With a legacy rooted in oncology expertise, the hospital has established itself as a trusted name in cancer care across Tamilnadu for more than 40 yrs. Mohan's Medicity brings together experienced clinicians, advanced treatment infrastructure and a commitment to patient-centered care, making it a natural host for a conference dedicated to advancing radiation oncology in the region.

Honoured to Welcome Chief Guest

Padma Shri **Dr. P. Vijay Anand Reddy**

Padma Shri Awardee | Eminent Radiation Oncologist |
Director – Apollo Cancer Centre, Hyderabad

AROI TN & PY 2026 is honoured to welcome **Padma Shri Dr. P. Vijay Anand Reddy** as the Chief Guest for the **Inaugural Function** to be held on **September 12 th 2026** at Courtyard Marriott, Madurai. A nationally and internationally renowned Radiation Oncologist, Dr. P. Vijay Anand Reddy has made remarkable contributions to cancer care, education, and innovation in radiation oncology. His distinguished career has significantly advanced the practice of precision oncology in India. As part of the Inaugural Function, he will deliver a **Special Guest Lecture on Ocular Brachytherapy** - Advancing Precision in Eye Cancer Management. His lecture will provide valuable insights into contemporary techniques, treatment planning, clinical outcomes, patient selection, and future directions in ocular brachytherapy. We are honoured to welcome Padma Shri Dr. P. Vijay Anand Reddy and look forward to his inspiring inaugural address.

Highlights on Scientific Committee Agenda

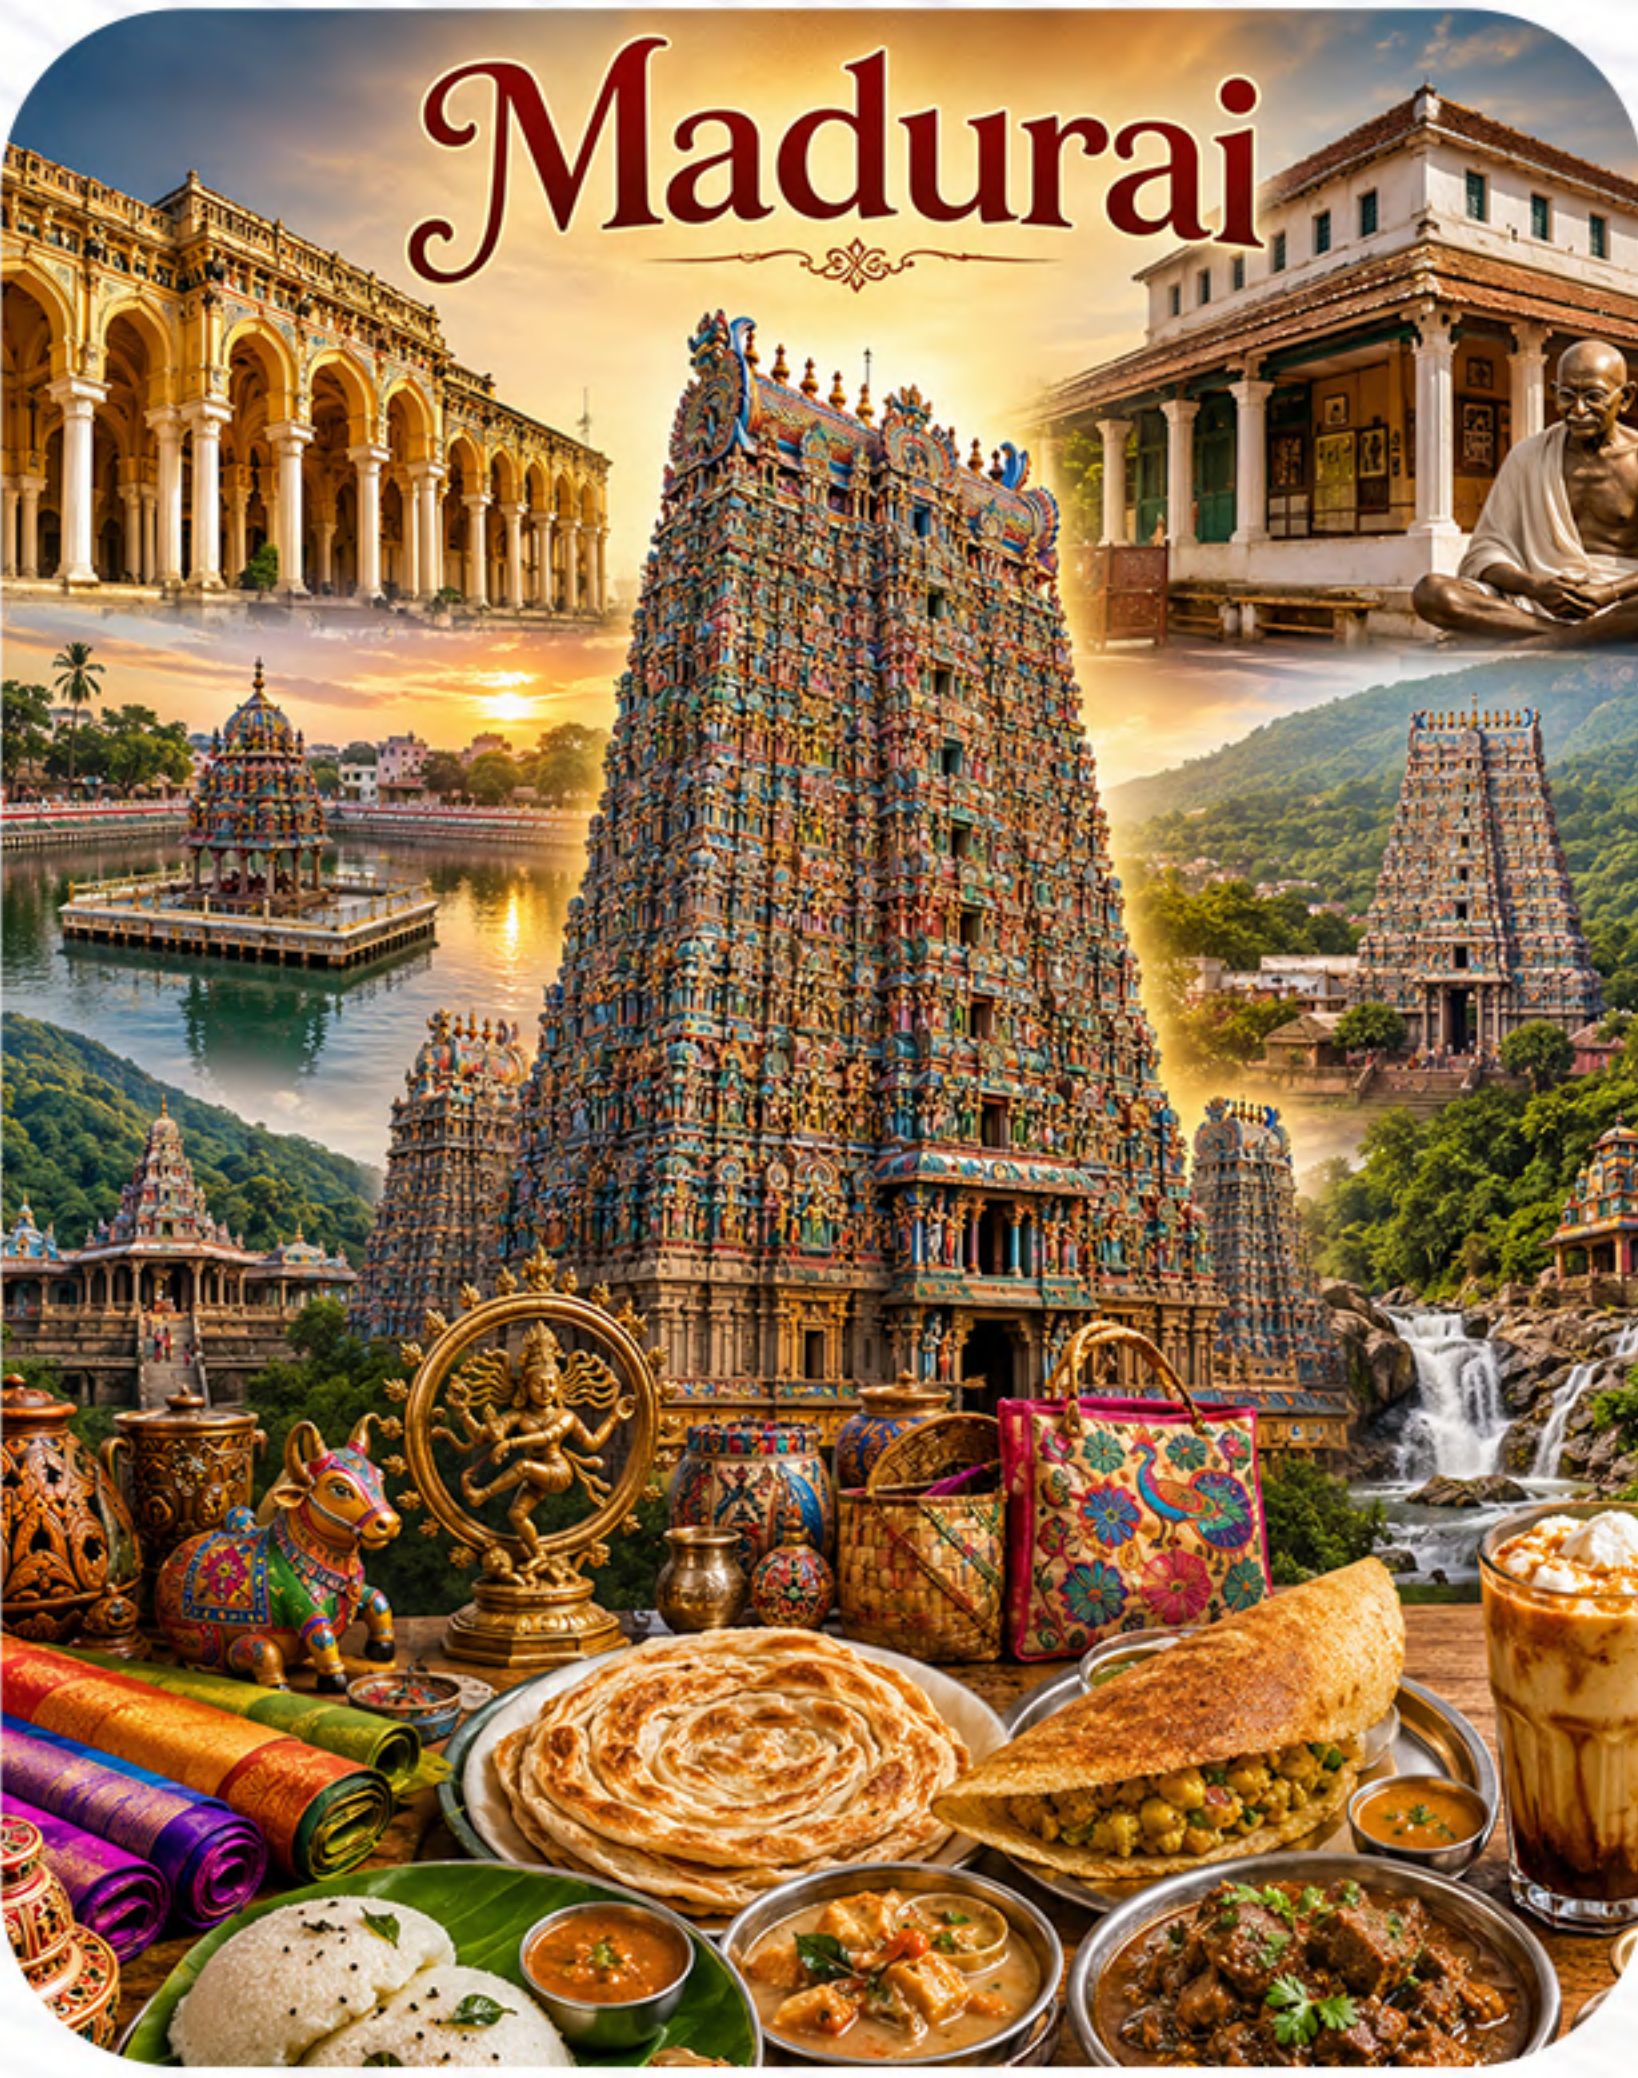

- Re-irradiation in Recurrent Head & Neck cancers
- Role of Immunotherapy with RT in Head & Neck Cancers.
- Post Neoadjuvant Chemotherapy and Immunotherapy in Breast Cancer – Role of RT.
- Irradiation after Breast Oncoplasty & Implant Procedures.
- Oligometastasis Management in Prostate Cancer.
- SBRT in Ca Prostate.
- Role of Neoadjuvant Chemotherapy in Cancer Cervix.
- Management of Vault Recurrence – Role of Re-radiation.
- Artificial Intelligence in Oncology Vs Human Intelligence in Oncology.
- Role of Immunotherapy in Solid Tumours along with Radiation.
- Lattice RT & Flash RT (Newer trends in RT).
- SRS in Brain Tumours.
- Synchronous and Metachronous Malignancies – Management and Follow-up.
- Benign Indications of RT.
- Acute Toxicity Profile during Radiation Treatment & its Management.
- Management of GIT Cancers.
