

PRODVANCE 2022 (EAST ZONE)

OVERVIEW OF HEPATO-PANCREATICO-BILIARY TUMORS

27th & 28th AUGUST 2022

**AH Post Graduate Institute of Cancer,
Cuttack**

Dear friend / colleague,

It is a great honor and privilege to invite you to ICRO PRODVANCE- 2022- EAST ZONE having theme, “**Overview of Hepato-Pancreatico-Biliary Tumors**”, scheduled to take place on **27th & 28th August 2022** in the Dept of Radiation Oncology, AH Post Graduate Institute of Cancer, Cuttack, Odisha. Radiation Oncology has made rapid progress in cancer globally and novel techniques have significantly improved treatment outcomes with better therapeutic ratio.

The course will emphasize on various aspects of hepato-pancreatico-biliary tumors, their work-up and treatment including the use of high precision ablative radiotherapy techniques. Both the trainees and practicing radiation oncologists will be immensely benefited. Trainees in the subject of Radiation Oncology MD and DNB degree holders with less than 10 years of experience in the subject are encouraged to participate in this academic fest.

My team and I look forward to your gracious presence at this academic extravaganza. We wholeheartedly welcome you all.

With warm regards,
Prof Dr. Surendra Nath Senapati
Prof. & HOD
Dept. of Radiation Oncology,
AH Post Graduate Institute of Cancer,
Cuttack, Odisha.
