Under the aegis of Association of Radiation Oncologists of India

THEME: CONTROVERSIES IN RADIOTHERAPY

8th & 9th October 2022

Organized by :

Department of Radiation Oncology, R. R. Cancer Institute & Research Centre

Shri Ram Murti Smarak Institute of Medical Sciences

Ram Murti Puram, 13 Km, Bareilly-Nainital Road, Bareilly (U.P.) Ph : 0581-2582014-25, Fax :0581-2582010

Email : uparoicon2022@gmail.com • Website : uparoicon2022.srms.ac.in

Invitation...

Dear Colleagues!

Welcome to the city of Jhumka - Bareilly

On behalf of the organizing committee of "UPAROICON 2022", we feel privileged to invite you to participate in the 33rd Annual Conference of Association of Radiation Oncologists of India - Uttar Pradesh state chapter, to be held on 8th & 9th October'2022, being hosted by Department of Radiation Oncology, Shri Ram Murti Smarak Institute of Medical Sciences, Bareilly.

Two days' conference will be a great academic feast for our next generation residents. The theme of this year's conference is "Controversies in Radiotherapy". These controversies always create confusion to choose the treatment options for a particular cancer. Symposia on controversies in different sites of cancer will help us to make decision for the treatment modality to be used and also the use of Radiotherapy when and where to be given? Clinical challenges faced by the Radiation Oncologists, day in and day out will be addressed by the eminent speakers of our field.

We will try to make all the best possible efforts to make you feel comfortable so that you enjoy your stay along with enrichment of education filled sessions.

Sincerely,

Dr. Piyush Kumar

*Student registration to be forwarded by Head of the Department

• Registration is compulsory for member attending conference • Registration number will be allotted once the registration form is verified

Guidelines...

For Abstract Submission

Abstracts are invited for UPAROICON-2022

- ♦ The abstract should be in MS Word file.
- ♦ Paper should be original and authentic work of author and it should not have been presented in any forum or published in any journal/media.
- ♦ Only one abstract will be accepted per presenting author.
- ♦ The presenting author should be registered in conference as well as in UP- state chapter (AROI) and must be present in person during the conference for presentation.
- ♦ Original research work (preferable thesis work) will be submitted for poster presentation. Best Posters (JR-5, SR-5, Medical Physicists-3, Oral Medical Physicist Student/Intern Paper-3) will be selected for oral best paper category, case reports will be limited to poster only.
- ♦ Young faculty will be eligible for direct oral presentation (Best five will be selected by scientific committee)
- ♦ **The last date for submission is 30th August, 2022.**
- ♦ Please mail the abstract to uparoicon2022@gmail.com.

Abstracts should be submitted in the following format

- ♦ **Mention Registration Id:** Registration is a pre-requisite before submission of abstract.
- ♦ **Presenting Author:** (Surname, Initials; bold and underline) affiliation details (designation, name of institution, city), email and phone number
- ♦ **Co- authors:** (Surname Initials)
- ♦ **Title:** It should be short and indicative of the research paper.
- ♦ The abstract should have an Introduction, Aims and Objectives, Materials and method, Results and Conclusion (total no. of words should not exceed 300).
- ♦ In case report – introduction, case history, discussion (discuss rationale for decisions that were made and the lesson from the case), conclusion (total no. of words should not exceed 250).
- ♦ Font size standard Times New Roman 12, single line spacing
- ♦ Use only standard abbreviations. Place special or unusual abbreviations in parentheses after the full word appear first time.

All abstracts will be reviewed by Scientific Committee. Presenting authors will be notified via email regarding acceptance.

Award category (First and Second award in all categories)

- ♦ Oral Young Faculty Paper (Assistant Professor and Age \leq 35 years)
- ♦ Oral Best Paper Award (Senior Residents)
- ♦ Oral Best Paper Award (Junior Residents)
- ♦ Oral Medical Physics Paper
- ♦ Oral Medical Physicist Student/Intern Paper
- ♦ Best Poster Presentation (In case report category)

For Quiz

- ♦ Only one team is allowed per institute/hospital/medical college/centre.
- ♦ Only junior residents (undergoing MD/ DNB) can participate in the quiz.
- ♦ A team may have only three (03) members.
- ♦ There will be five (5) teams for the Finals. In case there are more than 5 team names received, there will be a Prelims held. The time & venue of the Prelims & Finals shall be intimated on conference day.
- ♦ Once a team has been formed, and names submitted, no substitution/changes will be allowed. Colleges can withdraw from the event whenever they want. If a college team is not found at the venue at the time of the Quiz, the team shall be deemed to have withdrawn itself.
- ♦ There will be two prizes – First and Second prize.
- ♦ The last date/time for receiving the team names & members is 30th September 2022; 17.00hrs. NO SPOT REGISTRATION FOR ONCO-QUIZ WILL BE PERMITTED.
- ♦ Colleges may submit their team names/members via google forms, but once submitted they cannot be changed.
- ♦ Conference registration is must for quiz participation

Format for submitting the team names for Onco-Quiz

Team name (institute / hospital / medical college / centre)	Team members (names)	Designation

About the Institute

Shri Ram Murthi Smarak Institute of Medical Sciences (SRMS-IMS) is an established leading institution in the field of Medical Care, Education and Research. The associated, 1000 bedded, NABH accredited hospital, is a multi-super speciality tertiary care and trauma centre, to meet the medical health care need of a population of 30 million within a 250 Km radius comprising Western UP, Kumaun & extending upto Nepal.

The institute is located on Bareilly- Nainital Highway, 13.2 km from Bareilly city, spread over an area of 40 acres of land in sprawling and pollution free environment and houses over 30 speciality and super speciality departments. The institute offers undergraduate medical education (MBBS) with 150 seats and post graduate programme in pre, para, and clinical subjects with an orientation to internationally recognized standards of excellence.

R. R. Cancer Institute and Research Centre

Milestones:

- 2007- Foundation stone laid down for Department of Radiation Oncology
- 2008- First patient treated on CLINAC 2300CD
- 2009- First patient treated on 30 Channel HDR Microselectron
- 2012- MD (Radiation Oncology) Post Graduate Course started (with 4 seats)
- 2014- Allied specialty Surgical Oncology Unit started
- 2015- MCI Recognition of MD (Radiation Oncology) Post Graduate Course
Second Linear Accelerator True Beam installed
Senior Residency (with 3 seats) started
- 2018- Palliative Care Unit started
Medical Physics Internship program started
- 2019- Allied specialty Medical Oncology Unit started
- 2022- Registered for Hospital Based Cancer Registry by ICMR

Department of Radiation Oncology was inaugurated under the flagship of 'Ram Rakhi Cancer Institute and Research Center' on 30th September 2008 to provide integrated oncology services, which focuses on delivering the right treatment and support to patients, as early as possible in their cancer journey.

The department of Radiation Oncology provides comprehensive cancer treatment and quality cancer care with support of Surgical and Medical Oncology units along with all pathological, radiological and nuclear medicine back-ups. The team consists of eminent faculties trained from AIIMS (New Delhi), SGPGIMS (Lucknow) & Regional Cancer Centre (Trivandrum). The management of all the patients undergo a stringent vigilance of "Tumor Board" coordinated by the department, which comprises of related specialty and super specialty departments.

The Radiation Oncology Department is equipped with two High Energy Linear Accelerators and 30 channel HDR Brachytherapy with C-arm. The post graduate MD (Radiation Oncology) was started in 2012, the first private medical college to do so, in North and North East India. Presently, the department has 4 MD seats, 3 Senior Residents and 2 Medical Physics Intern per year who have mentorship from 8 faculties [5 Radiation Oncologists and 3 Medical Physicists (all RSO)].

It runs a strict and disciplined Residency program which comprises of daily morning teachings (8 to 9 am; Monday to Saturday) as per NMC guidelines. All residents have to undergo mandatory BLS and ACLS course certification along with Palliative Care Course Certification from IAPC during their residency program. This department owes its present culture of resident training and disciplined attitude to the Department of Radiation Department, SGPGIMS, Lucknow.

The department is conducting SRMS Contouring Classes since 2016 where exhaustive 10 hours of hands-on-training on TPS is given with 1:1 ratio of delegate and tutor. Till March 2022, total registrations are 120 (Faculties – 22, Residents – 98) from 19 colleges over 9 states of India. It's a paid workshop (Registration fees – Faculty / SR – Rs. 10000 and JR – Rs. 6000) and is continuously attracting residents and faculties from all over India where state of art Radiotherapy facilities are not present.

The department has innovated (in house) its own flat couch for CT scan for RTPs (2016), immobilization devices like index bars (2017) and various base plates (Head Neck, Thoracic and Pelvic and Whole body in 2018) and recently in Dec'21, wax phantom for dosimetry and whole immobilization system for treatment of Total Skin Electron Beam (TSEB) radiation for patient of Mycosis Fungoides.

The department has been recognized as the 'Best Department' in the institute continuously since 2014. It attracts medical tourism for Radiation therapy from Nepal, Uttarakhand State and NCR besides patients from cities within 100kms radius of Bareilly.

The department celebrates and conducts three events annually - World cancer Day (4th Feb) where felicitation of cancer survivors (more than 5 years) in form social gathering with their family members, 'No Tobacco Day' (31st May) where the residents conduct various cancer awareness programmes in the institute along with 'Nukkad Natak' and Oath taking ceremony to quit tobacco, and lastly National Cancer Awareness Day (7th Nov) wherein public awareness about the various aspects of preventive Oncology is conveyed to the society.

Recently this year, it has been registered as center for Hospital Based Cancer Registry by ICMR.
