## INVITATION

Dear esteemed colleagues and friends,

It's our great pleasure to welcome you to the 11<sup>th</sup> Young Radiation Oncologists' Conference, taking place on January 25<sup>th</sup> and 26<sup>th</sup> in the historic city of Madurai, Tamil Nadu. Madurai, renowned for its rich cultural heritage and vibrant history, serves as a fitting backdrop for our gathering, fostering collaboration and innovation in the field of radiation oncology.

This year's theme "Challenges & Controversies in Clinical Oncology" will delve into critical discussions and debates surrounding Stereotactic Radiosurgery, Stereotactic Body Radiotherapy, Re-irradiation, Brachytherapy & Paediatric Radiotherapy. As emerging practitioners in this dynamic field, we face numerous challenges and questions that require our collective expertise. By addressing these controversies, we aim to foster a deeper understanding and enhance our practices to improve patient outcomes.

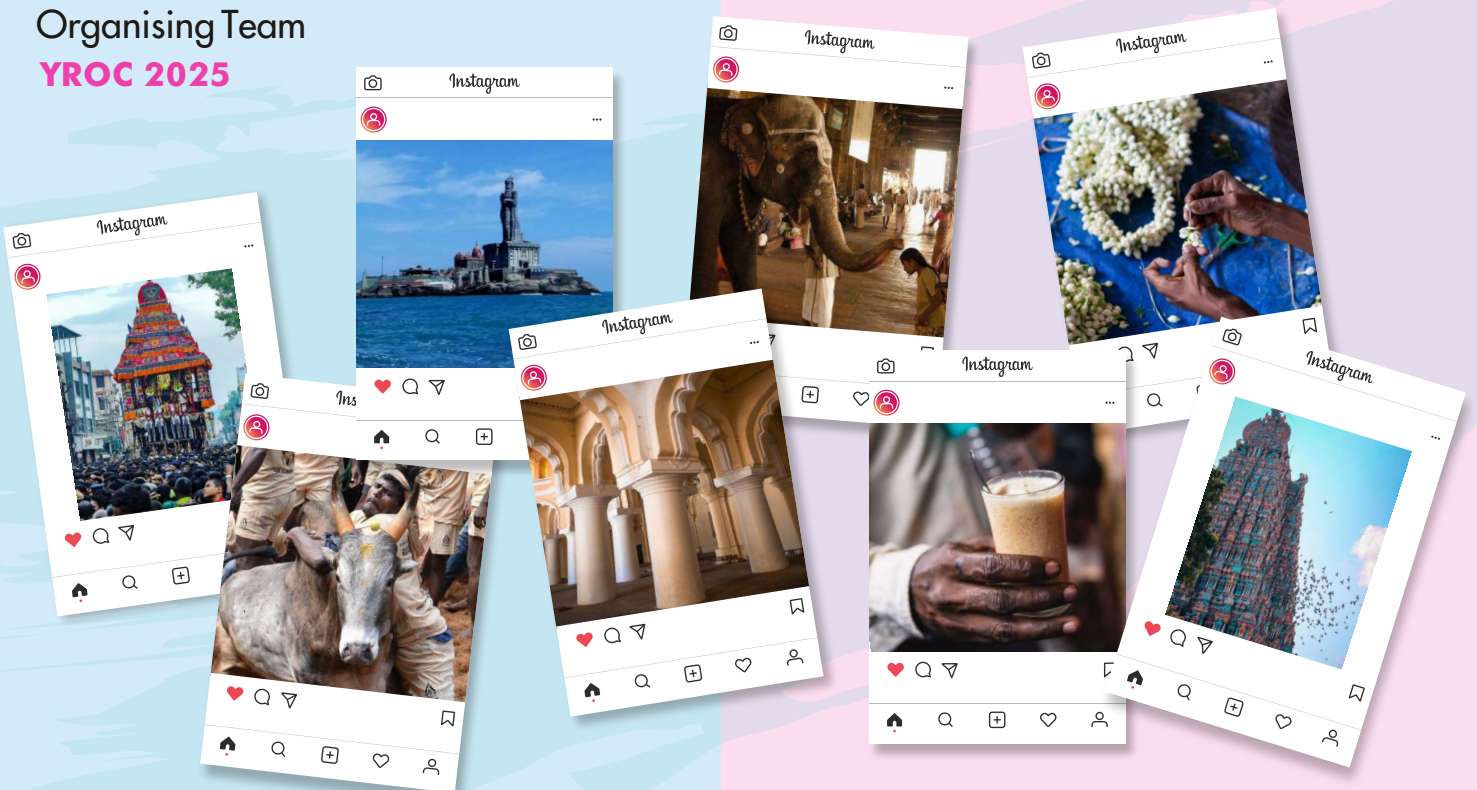

We encourage each of you to actively engage, share your experiences, and network with your peers. Your participation is vital as we strive to advance our knowledge and enhance the future of radiation oncology.

Thank you for joining us in Madurai. Let's make this conference an enriching and memorable experience!

Warm regards,

Organising Team
